

SmartBank - Your NEW Paperless Cashbook Accounting Bank Manager

Good Morning Mrs. Miles

13 August 2020

I am so excited to share this e-mail with you. As the financial manager of your company and a Netcash client I thought maybe

You might be interested. Please visit the Smartbank website and see below. It is worth your time having a look please.

Smartbank are really smart. The show stopper for me was the price. The software are capable of so much more at half the price

The service from Mr. Hartley is prompt and he makes you feel as if you are his only VIP client.

2020 is very miserable but this new software has made my year 😊

Thank you, keep well and keep safe - Regards Lizell
